## Summary:

Motivated student videographer experienced with writing, editing, communication, camera work and video/audio editing. Gained experience in class and on my own during my first year and a half at Drake University. I am the kind of person who enjoys writing stories and shooting videos that engage people in a new world that they haven't yet experienced. I want to create the kind of content that sticks with them and changes their perspective of the world at large.

## Skills:

- ★ Experienced writer and communicator
- ★ Experienced with camera work
- ★ Experienced with interviewing and researching
- ★ Experienced with Audition and Premiere Pro
- ★ Able to meet deadlines
- ★ Strong work ethic and collaborative skills

## Experience:

*Drake Community Press* - March 2020

- Produce Videos to promote the launch of our new book
- Developed a survey to send to our readership to gather information for our impact report
- About to start on a series of audio only interview projects

*Drake Phonathon* - August 2019 - December 2019

- Raised \$11,652 by cold calling alumni for donations

*Rambler* - August 2017 - May 2019

- Wrote and edited stories for my high school newspaper

## Education:

Drake University - Des Moines, Iowa August 2019 - Present

- Digital Media Production Major
- English Minor

Glenwood High School - Glenwood, Iowa

- Graduated May 2019
